Arts Person of the Week: Mrs Halliday would like to recognize two students as art persons of the week: Jasper Sutanto and Aileene Murillo. Jasper always gives 200% effort for every assignment and art project. He explores new ideas, challenges himself, problem solves and comes in at lunch and after school every day to make his artistic creations come to life. Aileene is a lovely young lady inside and out. Although she is only a 9th grader, her art work and skills are incredible. Her art work is always neat, clean and perfectly done. She is very creative and pushes herself to do her best every day. Both of these students inspire others and are a joy to have in class.
