Text Option B

Graduation Poem

*Class of 2022
(Your Name)*

*Our high school years have ended now,
Stand up and cheer or take a bow.
We've done what none before us did,
Virtual school and lessons hybrid.*

*Taught in a classroom, then learning from home,
Sitting at computers, working from a phone.
Back in our schoolroom, all wearing masks,
Six feet from others, behind Plexiglass.*

*Had no idea what "normal" was,
Since all of this was new,
But here we are in caps and gowns,
The Class of '22!*
