

EDHS AVID NEWS

AVID STUDENTS OF THE MONTH

MAY 2022

Isabella is an exceptional student. She is without a doubt, one of my brightest 9th graders. She is a hard worker, a friend to her peers, and her biggest advocate. She has a very bright future ahead of herself and I look forward to seeing her grow.

Elizabeth is a model student in AVID. She is kind, hard working, attentive, and focused. She has managed to maintain a 4.0 average throughout her first year in high school while taking rigorous honors courses. She is a pleasure to have in class, and has been a leader in action among her peers in AVID.

AVID *Field Trip to HOU and CSUF*

On May 11th, 80 of our AVID students took a field trip to Hope International University and Cal State Fullerton. Students enjoyed campus tours and were able to experience what the two campuses had to offer.

Sebastian is always the first to help pass back papers and help with any task the class needs. He is great about getting his friends on task and helping his group stay focused during tutorials. Sebastian goes above and beyond in his academic classes. His teachers have shared that he is polite, participatory, and responsible.

Alison Soto is our inaugural 11th grade AVID student of the month! Whether collaborating with her classmates during Tutorial, making waves in her first year on the EDHS Aquatics team, developing her love of language in AP Spanish, or improving her community through Joya Scholars, Alison is a Hawk to the core!
