Rosie Jane, 5
leukemia

El Dorado High School Make-A-Wish Club

Rosie Jane loves playing with her water table at her family's home in Yorba Linda. At 5 years old, Rosie Jane has always had a special connection with water. Whenever she goes to the beach with her family, she dreams about meeting her favorite Disney princess, Ariel. Before she was diagnosed with leukemia, Rosie Jane and her family enjoyed spending time together at Disneyland. Because of the coronavirus pandemic, Rosie Jane hasn't been able to have fun at Disneyland like she would have wanted. For her wish, Rosie Jane knew she wanted to spend some quality time with her family at Disney World. Thanks to El Dorado High School's Make-A-Wish Club, Rosie Jane and her family were able to embark on a wonderful journey to Disney World! Rosie Jane was thrilled to meet Ariel, eat churros, and go on Little Mermaid-inspired rides! Thank you, El Dorado High School for inspiring hope and joy for Rosie Jane and her family.
