

LEARN ABOUT THE VETERINARY FIELD!

ARE YOU A HIGH SCHOOL SENIOR INTERESTED IN
A CAREER IN VETERINARY MEDICINE OR OTHER
ANIMAL-RELATED FIELD?

JOIN OUR TEAM AND GAIN HANDS-ON EXPERIENCE AT OUR
MOBILE DOG AND CAT VACCINE CLINICS!

Why Volunteer?

- *Discover a potential career path in veterinary medicine or other field involving domestic or wild animals*
- *Get practical experience around animals*
- *See and learn about many types of breeds, often with unusual characteristics*
- *Meet many wonderful pet owners, pet foster parents, and rescue groups*
- *Make a positive impact in your community*

What We Can Offer:

- *Work with a highly experienced and fun team*
- *A unique and fun opportunity to work around animals*
- *Mentorship through observation and hands-on learning experience*
- *An opportunity to expand your knowledge about animal physical and behavioral aspects*
- *School or other credit available for volunteer work with our non-profit organization*
